PROJECTS

Prashant Advait Clone | *Sveltekit, MongoDB, TailwindCSS, Ngrok, Razorpay API*

- *Content management system:* Utilizes a robust CMS to manage and update a vast array of content
- *Performance optimization:* Incorporated **SSR**, **CSR**, Optimized **bundling** using Vite, **Code splitting**
- <https://github.com/anjali24671/PrashantAdvait> <https://prashant-advait.vercel.app/>

Interactive Radar Tutorial | *ReactJS, Flask, OpenCV, GSAP*

- Developed simulation platform to teach how radar systems detect enemies in aircraft, enhancing user understanding through **real-time visualization**.
- Utilized ReactJS and GSAP to create an **engaging UI**, ensuring smooth animations and an intuitive learning experience.
- Implemented a Flask backend with OpenCV for **real-time image processing** and simulation
- <https://github.com/anjali24671/Enemy-detection-simulator> <https://enemy-detection-simulator.vercel.app/>

Mindfulness | *Django-rest-framework, Auth0, OpenAI, ML, ReactJS*

- Mindfulness is a web app designed for students to assess their mental health status and get real-time recommendations.
- <https://github.com/singodiyashubham87/Mindfulness> <https://mindfulness.vercel.app/>

TECHNICAL SKILLS

Languages: Python, JavaScript, C++, C, Java

Frameworks: Sveltekit, NodeJS, ExpressJS, Django, Django-rest-framework

Developer Tools: Git, Github, VS Code, Figma

Libraries: ReactJS, Pandas, NumPy, Matplotlib

CERTIFICATION

Smart India Hackathon Finalist 2023

3rd In Mock Placement Activities in MITRC

VOLUNTEERING

Selenium IDE volunteer

Jan 2024 – Mar. 2024

Jagadguru Kripalu Parishat

Mangarh, UP

- * *Streamlined Testing:* **Automated testing** processes for the JKP donation management system using Selenium IDE, significantly improving testing efficiency and reliability.
- * *Enhanced Skills:* Acquired valuable technical and professional experience through **hands-on work** with automation tools and real-world application scenarios.

Transcriber Volunteer

Oct. 2023 – Mar. 2024

PrashantAdvait Foundation

Greater Noida

- * *Content Transcription:* Transcribed key YouTube videos featuring conversations by Acharya Prashant, ensuring accurate and detailed **documentation**.
- * Contributed to the creation of books and articles by providing essential transcripts

EDUCATION

Modern Institute of Technology and Research Centre

BTech(AI-DS) CGPA - 9.6

Alwar, Raj.

Sep. 2021 – present
